Simone Nadelhofer is a Partner in Schellenberg Wittmer's Dispute Resolution and White Collar Crime Groups in Zurich. Simone is an expert in handling complex domestic and cross-border proceedings and internal and government-led investigations across industries, with a focus on white-collar and financial crime, including corruption, fraud, money laundering, cybercrime, ESG and workplace violations. Her expertise also extends to financial regulations, international sanctions, asset recovery, and international mutual assistance in criminal and tax matters. Additionally, Simone regularly represents clients in commercial disputes before civil courts.

Expertise

- Dispute Resolution
- Internal Corporate Investigations
- IT Security and Cybercrime
- White-Collar Crime and Compliance
- Blockchain-Technologies & FinTech
- Financial Services
- Sports
- Telecommunication

Experience

- Swiss counsel to the US monitor of a major Swiss bank: Advised the monitor and his US team on all Swiss law issues, including data transfer and 271 SCC (obtention of authorisation in Switzerland), data protection, labour law and interviews.
- Counsel to a multinational group in a cross-border investigation (US, Canada, Europe and Switzerland) and related complex mutual legal assistance proceedings in Switzerland regarding terabytes of data seized on servers in Switzerland. Close cooperation and coordination with US, Canadian and EU counsel, including on 271 SCC issues and data protection.
- Conducted a compliance investigation for a listed Swiss multinational group into all of the group's joint venture partners and consultants worldwide, with a focus on sanctions and bribery risks. Based on the results of the investigation, the group decided to exit 14 relationships. Advising the group on the exit and related criminal liability, sanctions and litigation risks.
- Led an investigation for an international health organisation into repeated sexual harassment of employees by a board member, including document review and interviews.
